

Pahokee High Band To Give Concert On Thursday Evening

Thursday Evening

Will Play Selections To Be Used In Music Festival

The Pahokee High School Band will give its Mid-Winter Concert on next Thursday night, Feb. 5, at 8:00 P. M. in the High School Auditorium.

The tickets for the Concert have been put on sale earlier this week, the admission being a nominal one. The proceeds will be used to help pay the expenses of the Band to the State Band Music Festival to be held in Deland, March 19, 20 and 21 of this year. Being one

year older the Band has advanced from Class D. to Class C, and the caliber of music naturally harder. Even with this advancement in Class, the Band will be expected to do as well or even better than it did at last year's contest. Come to the Concert⁴ and see for yourself whether or not the Band is worthy of your support.

The following is a tentative program to be presented at the Concert:

1. The Thunderer March, Sousa
2. Alda Overture, Mc Caughey
3. Invercargill March, Lithgow
4. Band

Cornet Duo
Londonderry Air, Irish Folk
Song
I'll Take You Home Again, Kath-
leen, Westendorf
George Potts and Simmons
Wilkinson
London Suite, Van
Little Red Cooze, Muffitt
Band
Saxophone Trio
Jeanie With the Light Brown
Hair, Foster
Aloha Oe, Lilinokalani
Jimmy Shirley, Billy Rawls and
Tyler Jackson
Marche Militaire, Schubert

Theme from the Piano Concerto,
Tchaikowsky
Band
5 Trombone Trio
Rocked in the Cradle of the
Deep, Knight
In the Gloaming, Harrison

Sam Loyell, Milton Salvatore and
Dennis Wilson
The National Emblem March,
Bagley
Overture Americans, Buchtel

Stars and Stripes Forever, Sousa
Band
Clarinet Sextet
Minuet in G. Beethoven

Sousa
The Star Spangled Banner, Ar-
ranged by Fillmore
Band

Mrs. Anderson Is
New Circle Head

At the annual election of officers of Margery Lair Circle, held Monday afternoon at the home of Mrs. W. Armstrong, Mrs. H. J. Anderson was chosen chairman.

Mrs. J. R. York was elected vice chairman and program director; Mrs. R. W. Sanders, secretary; Mrs. J. H. Anderson, chairman; Mrs. Armstrong, sunshine chairman; and Mrs. R. J. Schroder, Christian social relations chairman.

Mrs. J. E. Statham presided as temporary chairman and presented the treasurer, Mrs. J. H. Elliott. WSCS president was visitor. The next meeting will be held on Feb. 23 at the home of Mrs. Anderson with Mrs. Dan Carpenter as co-hostess.

**Notes Hear Talk
On Labor Problem**

The program at the regular meeting of the Pahokee Rotary club yesterday was in charge Charles Rudd. He presented a French, who made an interesting

group or defense stamps to be
given away each week at the club.

The next meeting will be held on Feb. 23 at the home of Mrs. Anderson with Mrs. Dan Carpenter as co-hostess.

Rotes Hear Talk On Labor Problem

The program at the regular meeting of the Pahokee Rotary club yesterday was in charge Jack Rudd. He presented A. T. French, who made an interesting talk about labor conditions in Palm Beach county. Mr. French connected with the federal employment bureau.

Al Kirchman and Roscoe Bradstock, Bell Glade Rotarians, were visitors. Howard Kahler, of Miami, was another visiting Rotarian. P. L. Peaden was a guest of Jack Rudd.

L. L. Stuckey won the first

group or defense stamps to be
given away each week at the club.

group or defense stamps to be

It seems that Admiral Kimmel and General Short, who didn't think the Japs could cross 3,400 miles of ocean to attack Honolulu, must have been listening to speeches by Senators Wheeler and Nye instead of reading orders from the war and navy departments.—Fort Myers News-Press.

UNTIL PEPPER DOES

Senator Pepper piously tells the governor and his cabinet that he would expand Florida's sugar industry, and in the same breath declares war on the one company in the state now capable of expanding it.

The senator indorses the idea of a co-operative sugar mill. As no such equipment exists, he suggested that federal funds be obtained for handling sugar cane produced by independent growers.

He is bitterly opposed to construction of an additional sugar mill by the United States Sugar Corp. at Clewiston, because it would create an inwholesale monopoly under the federal sugar quotas.

Mr. Pepper shows no concern over sugar rationing. He would fight a straw man monopoly, let national sugar supplies dwindle while he tilted at windmills.

Does Mr. Pepper think that the people of Florida are so gullible as to swallow the specious reasoning with which he regaled the governor and his cabinet?

Isn't it time Mr. Pepper comes into the open with frank, honest acknowledgment of his personal animosity against the U. S. Sugar Corp. and his reasons for it?

Until he does, the people of Florida will stick to their conviction that he is an obstructionist and saboteur of the state's sugar industry.

TEA FOR TREATS

Prices of tea are rising mightily, and the product itself is likely to be scarce. There is at present a supply of tea in this country which should last five or six months. Tea imports in the United States reached during 1941 their highest peak in 23 years.

Our consumption of tea seems to have increased greatly, too—almost enough to balance off the heavy imports. It is impossible to estimate just how much tea imports will be curtailed this year, but we may be sure that the amount coming in will be a great

deal less than the 107,593,723 pounds imported in 1941. So conserve your tea and save it for treats. It's precious.—New York PM.

JAPANESE SHORTAGE

Conveniences have almost altogether disappeared from the family equipment in Japanese homes. Matches are limited to four a day and what that number has been exhausted the old-time flint must be relied upon for starting fires. Thread is practically non-existent, hence work and tattered clothing falls apart from lack of repairs. Stockings, shirts and kimono are no longer made of silk but fashioned from a substitute cloth which goes to pieces speedily after the second washing.

Coal that is mined has been wholly set aside for war plants. Charcoal is scarce and the rules prohibit its making in backyards. Nails are worth their weight in gold and thieves steal them from fences, which then collapse easily.

Sugar is rationed on a pound a month basis and milk can be obtained only from "boot-leggers," so-called.

Cotton for bandages is found in few hospitals; ether, quinine and like drugs are seldom available.

Government appeals for enlarged fiscal support are reinforced by presentation through policemen or other officers. During the current year, the average Japanese must take at least \$55 of national bonds for each person in his family or suffer serious consequences. Income per head does not exceed \$103 for the typical 12-month period, according to state statistics.—Orlando Sentinel.

FUTURE TRAFFIC HAZARDS

Chief Joe Doney of the Duval county highway patrol does not agree that automobile and fire rationing will "automatically" solve the traffic problem.

Car drivers and pedestrians can profitably think about these points made by the patrol chief:

1. Older cars will be driven, and because of the shortage of spare parts and skilled mechanics they may not be kept in safe condition.

2. Tires in many instances will be used beyond the point where they should be replaced.

3. Many old cars discarded as unfit for use will go back on the roads.

4. The tempo and urgency of war production and transportation will be increasing every day, further aggravating the problems that already have sent the traffic toll to record proportions.

5. Blackouts may come to many cities.

6. There will be intangible damage to public attitude and a let-down in personal and organized safety efforts.—Ocala Star.

Feeds Fish Onion And Potato

MARINELAND, Jan. 29. (FNS)—Arthur Schmidt, curator at Marineland, as an experiment, first chopped raw onions and raw Irish potatoes to fish in the oceanarium. Knowing that they fed on sea grass and underwater vegetation, he included five pounds of fresh vegetables at feeding time. Mullet and other vegetarian fish went for the raw food, apparently preferring it to the natural algae and sea grass found in the tanks. Schmidt stated that the fish actually fought each other for the bits of potato and onion.

The federal government will purchase 200 carloads of frozen grapefruit through the Surplus Marketing administration during the period from January 26-31.

Dr. Annals Lutz, associate professor of Home Economics at the University of Tampa, has been appointed to the State Advisory Defense Nutrition Committee by Governor Holland.

TOO LATE TO CLASSIFY

By Russell May

So many appeals for contributions are encountered nowadays that the average citizen, bewildered with unacknowledged requests and uncertain future, is inclined to classify the "Celebration of the President's Birthday" as the "Fight Infantine Paralysis" campaign as just another drive.

This is unfortunate for it is in every sense a defense measure, safeguarding both the military and civil population. In spite of the splendid progress made, this dread disease is far from conquered and remains as an ever present danger to the health and well being of the nation and the individual.

Infantile paralysis is no respector of persons. It hits high and low, old and young alike and because it is contagious is an even greater threat to the public at this time when we have large concentrations in military camps and in our industrial areas. A serious epidemic breaking out in such places could be disastrous and every community should take every precaution possible to prevent it.

Your contribution to the campaign directly benefits and protects your own home and your own community, for half the funds remain in your county for use there in any emergency that might arise while the balance goes to the National Foundation for use in research and in an educational program to meet the problem.

You can do your part in a number of ways. Attend the functions being arranged for the celebration of the President's birthday in your community. Send your personal check for whatever you can afford to the local committee. Join the "March of Dimes." Act now; and see to it that your community and your nation are prepared for any emergency. Don't let infantile paralysis attack your town or your home find it another "Pearl Harbor."

Candlemas To Be Celebrated

The members of the Church of the Holy Nativity—of the Episcopal Church—will keep the solemn day of the Feast of the Purification of Saint Mary the Virgin on Monday, February 2, 1942. This feast, which is sometimes known as the Presentation of Christ in the Temple occurs on February 2nd and commemorates events noted by the names of the day. On account of the ancient custom of burning many tapers in honor of Christ as the Light of the world, it is often called Candlemas. It is on this day that the candles to be used in the Church for the coming year, are blessed by the Parish priest.

The celebration of Candlemas will begin with the Holy Eucharist at 10:00 A. M. in the chapel at the Rectory. Father Alvarez will be the celebrant. In the evening the service will be held at the Women's Club House in Pahokee at 7:45 P. M. A cordial invitation is extended to all to take part in this service. This particular service is popularly known as "Candle Light Service." Briefly, the service is as follows:

All lights turned off at 7:45 P. M. The blessing of the Candles by Father Alvarez. Distribution of candles to the congregation. (Those who desire a candle will come to the Altar rail, kneel, and receive it at the hands of the priest.) After the distribution of the candles the service of Evensong will follow.

Plans are being made to have the Reverend Raymond A. Kurtz, Rector of Holy Trinity Church, West Palm Beach, as the guest preacher for that evening. Father Kurtz is a popular speaker in West Palm Beach.

Bad Teeth And Eyes Affect Soldiers

TAMPA, Jan. 29. (FNS)—Poor vision and bad teeth are given as the principal causes for the alarming number of rejects among men between the ages of 21 and 36 examined for military service. In the air corps bad eyesight is listed as causing more rejections than anything else, with bad teeth running a close second.

Thousands of otherwise healthy individuals who up to the time of examination have neglected or given little attention to eyes or teeth are amazed to find that they are not acceptable. In most cases the condition could have been avoided if a good dentist or optometrist had been consulted and a check made to correct it.

Records show that from a million examinations in the United States, 23 per cent under 21 years of age, 45 per cent under 40 years of age and 82 per cent under 50 years of age, have defective vision.

WANT ADS

Hunters' Opportunity

There is no substitute for experience. \$75 with buy Rod. has had over 5,000 birds killed over Jan. If you want the best—your own gale and money, write C. Peoples, Route 5, Box 514, Orlando, Fla., or Phone Mrs. Brooks Bateman in Pahokee.

LOSE: Last Saturday night at the Gladys club one gold pocket watch with initials JRH on back of case. A five dollar reward awaits the finder who returns it to the Everglades News office in Canal Point.

FOR SALE: One large used ivory baby buggy, leatherette upholstery, originally cost \$50. Also one play pen with collapsible floor. Both can be bought for \$40. Mrs. Brooks Bateman, Pahokee, Fla.

GLADES GLANCES

Postmasters in the Lake Region report that "Use Tax Stamp" sales have been only fair since the new stamps were put on sale. The cost of the stamp is \$2.00 and is good until July 1, 1942, when another for \$5.00—good for one year—must be purchased by motorists. John L. Faha, collector of internal revenue at Jacksonville, has announced that Feb. 1 is the deadline for purchase of these stamps.

As was expected by local growers the damage done recently by hail and rain in Broward county was not as large as reported. Millions in damage was reported the day after the rain and hail hit that area—but, this week another report comes out of that area saying that the damage was little over \$100,000.00.

Mrs. Velva Elliott has been chosen president of the Pahokee WSCS and was installed along with officers in an impressive sand-light program at the Pahokee Methodist church Sunday night with Rev. J. E. Statham officiating. Before the ceremony Mrs. J. Frank Colson, retiring president, spoke briefly and presented to Mrs. Mabel Simmons and Mrs. Margery Lair, in behalf of the society, the highest honor that can be bestowed on a member, life membership to the WSCS.

Miss Mary Jameson, daughter of Rev. and Mrs. Jay Jameson, who has attended Stetson University for the past year and a half has returned to her home in Belle Glade.

Be sure and attend the band concert to be given at the Pahokee high school auditorium next Thursday night—Feb. 5. The youngsters

will present several of the numbers being prepared for the state music festival in DeLand. Director Lampi is anxious that a large crowd be in attendance for the concert.

Oscar Dobrow, son of Mr. and Mrs. Abe Dobrow in Pahokee, underwent an operation Thursday morning at the St. Mary's hospital in West Palm Beach for the removal of his appendix. Reports from Oscar's bedside are to the effect that he is getting along nicely.

Mrs. W. R. Masser, county chair man of home community service in the defense program, will be the Pahokee Elks club next Wednesday night at 8 p. m. at which time she hopes to meet all the women in the Pahokee-Canal Point area who are interested in defense work.

This office has had several phone calls since last week's article about the wonderful results from ribo bushes after they were treated by Warren Rietz. For the convenience of our friends Warren's phone number is Pahokee 4001. He will be glad to serve you.

Miss Gloria John Dulany has returned to her studies at FSCW at Tallahassee after spending several days with her parents, Mr. and Mrs. J. A. Dulany in Pahokee.

Mrs. H. C. Graham is reported to be improving at her home after a week's illness. Mrs. Graham will soon return to her duties in the city clerk's office.

W. P. Walker, Pahokee city clerk, urges taxpayers to file their homestead exemption claims before April 1. He also says that registration books are open in city hall for the forthcoming city election to be held on May 5.

Mrs. Paul Rardin will return to her home in Canal Point today after spending several weeks with her parents, Dr. and Mrs. W. O. Stickland in Glenville, Ga. Mrs. Rardin will be accompanied by her uncle and aunt, Mr. and Mrs. J. B. Schlinger and daughter, Kay, who will spend several days in Canal Point and Miami.

Brooks Spann, for several years bookkeeper with the Wedgworth concern in Belle Glade, has opened the restaurant formerly known as Jimmy's place in Belle Glade. Brooks serves delicious food and extends an invitation to his friends to visit him in his new location.

J. W. Clark, 57, died Wednesday morning from a heart attack at his home at Brown's Farm. The body was prepared for burial by the Everglades Funeral home and shipped to Dublin, Ga. Wednesday night where the funeral will be held. The deceased is survived by his wife and one son, J. W. Clark of Canal Point.

Mr. and Mrs. Hooks Roland, Mr. and Mrs. Bill Rochart of Silver Creek, N. Y., and Mr. and Mrs. S. J. Cook of Sheridan, N. Y., are the guests of Mr. and Mrs. A. J. Ludman in Pahokee.

The Red Cross knitting room in Canal Point needs knitting needles. Do you have one or more to loan for a 'worthy cause'? Those in charge say the needles cannot be purchased and the lack of them is slowing up the work. They need numbers 5, 6, 7, and 8 and they can be left at the Canal Point knitting room or at the office of Otto Bleech in Pahokee.

Mr. and Mrs. H. B. Baxter are the parents of a fine baby boy who arrived Sunday, January 25 at the St. Mary's hospital in West Palm Beach. Mother and babe are doing nicely.

**Florida Sugar
Cut 20 Percent**

JACKSONVILLE, Fla., Jan. 29.—During February Florida sugar receivers will be restricted to 80 per cent of the amount of sugar they consumed during February, 1941, the priorities division of the war production board announced here Wednesday night.

George H. Andrews, district manager of the priorities field service, said the new regulation will be effective as of Jan. 24. It makes 1941 the base period in establishing sugar quotas for all "receivers," which includes everyone but the ultimate consumer.

Under the basic order, each receiver will be allocated a certain percentage of the amount of sugar he used or resold during a corresponding period of 1941, Andrews explained, with percentages and length of periods to be set out in subsequent regulations. The regulation covered only February.

He said immediate delivery of a receiver's entire February quota

would be permissible. Receivers who were not in business in a corresponding month of 1941 may use 80 per cent of his average monthly use during September, October and November, 1941, or such of those months as he was in business.

Eight classifications of sugar users are exempt from the quota restrictions:

- (1) The Defense Supplies Corps;
- (2) war and navy departments;
- (3) the maritime commission;
- (4) nations resisting aggression or any agency of the United States needing sugar for long-term purposes;
- (5) persons using sugar in manufacturing, health supplies;
- (6) persons retailing sugar on military or naval reservations to military or naval personnel;
- (7) operators of cargo or passenger and processors of sugar to pack fruits or vegetables.

**Cut Red Tape For
The Little Man**

JACKSONVILLE, Fla., Jan. 28.—The government moved Wednesday to ease the path of Florida's small business men in obtaining priorities for materials used in war production.

George H. Andrews, district manager of the priorities field service of the War Production Board, announced establishment of a new regulation which will permit firms doing a normal business of less than \$100,000 annually to use a much simplified form in asking for priorities.

The new form, called PD25-X, contained but two pages and will replace a form numbered PD25-A which not only was eight pages long, but required listing of much technical background data the new application dispenses with.

"This new regulation is going to make the job of getting priority assistance much easier for the little businessman who is in defense work," Andrews said, "and should be a long step forward in simplifying the priorities problem." He emphasized that it applied to the following:

DEFENSE FIRST!

Make defense against heat and friction your first thought when you buy motor oil. Buy Sinclair Opaline. Opaline contains no "5th Columnist" wax and petroleum jelly—non-lubricating substances that thin out in heat and cut down on oil's lubricating ability. Wax and petroleum jelly are removed from Opaline by an extra refining process. Play safe. Use Sinclair Opaline Motor Oil. It lasts so long it saves you money.
